Opinion No. 89-116

Public Health—Regulation of Pharmacists—Definitions; Prescription Order.

Public Health—Examination, Licensure and Regulation of Nursing—Advanced Registered Nurse Practitioners; Transmitting Prescription Orders.

Public Health—Healing Arts; Physicians' Assistants— Transmitting Prescription Orders. Tom C. Hitchcock, Executive Secretary, Kansas State Board of Pharmacy, Topeka, September 14, 1989.

Physicians' assistants and advanced registered nurse practitioners may not originate a prescription order, as they are not practitioners within the meaning of the pharmacy act. However, these health care providers may transmit prescription orders pursuant to written protocols. The transmitted order is a prescription order as defined by the pharmacy act. An order may be transmitted through a note written by the health care provider, and the signature of that person is neither required nor prohibited by the pharmacy act. The pharmacist may refuse to fill the prescription if, in the pharmacist's professional judgment and discretion, it is believed that the prescrip-

tion should not be filled. Opinion No. 89-117

Taxation—Liquor Drink Tax—Local Alcoholic Liquor Fund; Use of Money in Fund. John F. Bosch, Clay County Attorney, Clay Center, September 15, 1989.

Money in a special alcohol and drug programs fund created pursuant to K.S.A. 1989 Supp. 79-41a04 may not be used as matching funds for the Toward a Drug-Free Kansas Grant Program if the grant money is to be used solely for drug law enforcement. To the extent Attorney General Opinion No. 87-37 is inconsistent with the conclusions stated herein, that opinion is withdrawn. Cited herein: K.S.A. 65-4060; K.S.A. 1988 Supp. 79-41a04. JLM

DEPARTMENT OF HEALTH AND ENVIRONMENT

NOTICE CONCERNING VARIANCE REQUEST FROM HAZARDOUS WASTE REGULATIONS

The Kansas Department of Health and Environment (KDHE) is providing public notice that on February 22, 1989, Atchison, Topeka and Santa Fe Railway Company, 920 S.E. Quincy, Topeka, submitted a request for renewal of a variance from specific hazardous waste regulations. The request for a variance was submitted in accordance with K.A.R. 28-31-13(a).

The variance is requested from K.A.R. 28-31-6(c), which requires minimum insurance requirements for transporters of hazardous waste. The Atchison, Topeka and Santa Fe Railway Company is currently registered under K.A.R. 28-31-6 to transport hazardous waste. Since the Atchison, Topeka and Santa Fe Railway Company is self-insured, it is considered equal in protection to the minimum insurance requirements of K.A.R. 28-31-6(c).

In accordance with K.A.R. 28-31-13(b), public notice was provided that KDHE considered the request for renewal of a variance justified and made a tentative decision to grant the variance. A public comment period to receive comments regarding this tentative decision was established between August 10, 1989, and September 10, 1989. No public comments regarding this decision were received.

Therefore, in accordance with K.A.R. 28-31-13(b), KDHE announces its decision to approve this request for a variance and not to include any special conditions. The variance shall become effective on September 21, 1989, and shall remain in effect until September 21, 1992.

DEPARTMENT OF HEALTH AND ENVIRONMENT

NOTICE CONCERNING VARIANCE REQUEST FROM HAZARDOUS WASTE REGULATIONS

The Kansas Department of Health and Environment (KDHE) is providing public notice that on February 28, 1989, KDHE, Building 730, Forbes Field, Topeka, submitted a request for renewal of a variance from hazardous waste regulations K.A.R. 28-31-6(c) and K.A.R. 28-31-10(d). The request for a variance was submitted in accordance with K.A.R. 28-31-13(a).

The variance is requested from K.A.R. 28-31-6(c), which requires minimum insurance requirements for transporters of hazardous waste. KDHE is currently registered under K.A.R. 28-31-6 to transport hazardous waste. Since the state of Kansas is self-insured, compliance with minimum insurance requirements would not provide any additional protection to the state or its citizens. In regard to the monitoring fee required by K.A.R. 28-31-10(d), it is not necessary for KDHE to pay a fee to itself for monitoring activities.

In accordance with K.A.R. 28-31-13(b), public notice was provided to consider the request for renewal of the variance. A public comment period to receive comments regarding this tentative decision was established between August 10, 1989, and September 10, 1989. No public comments regarding this decision were received.

Therefore, in accordance with K.A.R. 28-31-13(b), KDHE announces its decision to approve this request for a renewal of variance and not to include any special conditions. The variance shall become effective on September 21, 1989, and shall remain in effect until September 21, 1992.

NOTICE CONCERNING VARIANCE REQUEST FROM HAZARDOUS WASTE REGULATIONS

On August 17, 1989, the Kansas Department of Health and Environment (KDHE) published notice of its intent to grant a variance from specific hazardous waste regulations to Aptus Environmental Services in Coffeyville. This variance has been requested by Aptus to allow for conducting a trial burn on the existing incinerator and subsequent issuance of a final operating permit. This public notice makes final the decision to grant the variance to Aptus.

The public notice published on August 17 explained that Aptus requested a variance from the requirements of K.A.R. 28-31-8, standards for hazardous waste storage, treatment and disposal facilities, and K.A.R. 28-31-9, hazardous waste storage, treatment and disposal facility permits. The August 17 notice further explained that, if granted, the variance would allow Aptus to receive and store hazardous waste from off-site sources at its Coffeyville facility prior to issuance of a final operating permit.

A public comment period also was established in the August 17 public notice to afford interested and concerned citizens and government officials the opportunity to provide input into the final decision making process on whether the variance should be granted. The comment period ended on September 1, 1989. No adverse comments were received. KDHE has reviewed the variance request and has determined that, within certain limitations, Aptus has adequate technical and waste management capabilities in place to protect human health and the environment and that the variance is justified.

The effective date of this variance shall be September 15, 1989. The expiration date shall be September 15, 1990. Aptus may receive and store up to a total of 3.2 million pounds of hazardous waste at its Coffeyville facility during the effective dates of this variance. The limitations imposed include waste analysis requirements, facility inspections, employee training and contingency planning.

Copies of the complete list of limitations and the variance approval are available for public review at the KDHE Southeast District Office, 1500 W. 7th, Chanute 66720; at the KDHE Central Office, Forbes Field, Building 730, Topeka 66620; and at the U.S. EPA Region VII Office, 726 Minnesota Ave., Kansas City, KS 66101. Inquiries about the variance approval may be directed to John Paul Goetz, Chief, Hazardous Waste Section, KDHE, at (913) 296-1607.

(1) Promptly complete required in-service preparation

sheets to document the training sessions, the nurse aides attendance, and the expense involved; and

(2) complete and file the required OBRA nurse aide training/funding form with the agency after July 1, 1990 and before September 1, 1990. All completed in-service preparation sheets shall also be filed at the same time. An extension of the filing deadline for up to 30 days may be granted for good cause if filed in writing prior to the filing deadline.

(b) Completion of the in-service preparation sheets shall require a detailed statement of costs for nurse aid training. Costs may include, but are not limited to, the aides' wages and benefits while they are in training and the instructors' expenses, contracts with outside institutions, educational materials and supplies, and travel expenses. Each cost of \$100.00 or more shown on the statement must be supported by originals or copies of invoices, cancelled checks, agreements, or other documents which clearly describe the goods or services purchased and their cost. Any necessary backup information or documents must be available on any audit requests to the agency.

The total allowable training costs will be divided by the total days of service to determine the actual per diem cost. There will be no minimum occupancy in determining the actual cost per day. The variance between the actual cost per day and the \$.43 reimbursed to the provider will be multiplied by the medicaid days to determine any overpayment. A settlement will then be recovered from the provider.

(e) A failure of a provider to timely submit the required forms or to supply accurate information may result in the determination of an overpayment of the entire amount of reimbursement for nurse aide training for FY 1990 paid

All bids will be publicly opened and read at said time and place and will be acted upon by the board of county commissioners immediately thereafter. No oral or auction bids will be considered.

Bond Details

The bonds will consist of fully registered bonds in the denomination of \$5,000 each or any integral multiple thereof. The bonds will be dated October 1, 1989, and will become due serially on October 1 in the years as follows:

Year		Principal Amoun
1990	Ž	\$275,000
1991	,	\$275,000
1992		\$275,000

The bonds will bear interest from the date thereof, said rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year beginning on April 1, 1990.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar), to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day (whether or not a business day) of the calendar month next preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the county and the Kansas Attorney General.

The county will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

Redemption of Bonds Prior to Maturity

None of the bonds will be subject to call and redemption prior to its stated maturity.

Authority, Purpose and Security

The bonds are being issued pursuant to K.S.A. 1988 Supp. 19-4601 et seq., for the purpose of paying the cost

of certain hospital improvements. The bonds and the interest thereon will constitute general obligations of the county, payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the county.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate may exceed a rate equal to the index of treasury bonds published by the weekly MuniWeek, f/k/a Credit Markets, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No bid of less than the entire par value of the bonds and accrued interest thereon to the date of delivery will be considered and no supplemental interest payments will be considered. Each bid must specify the total interest cost to the county during the term of the bonds on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the county on the basis of such bid, all certified by the bidder to be correct, and the county will be entitled to rely on the certificate of correctness of the bidder. Each bid must also specify the average annual net interest rate to the county on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$16,500 (2 percent of the principal amount of the bonds) payable to the order of the county to secure the county from any loss resulting from the failure of the bidder to comply with the terms of the bid. Good faith checks submitted by unsuccessful bidders will be returned. If a bid is accepted, said check or the proceeds thereof will be held by the county until the bidder has complied with all of the terms and conditions of this notice. If a bid is accepted but the county fails to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check or the proceeds thereof will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the county as and for liquidated damages. No interest will be paid upon the successful bidder's good faith check.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the county, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the county. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the

specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the board of county commissioners will determine which bid, if any, will be accepted, and its determination is final. The county reserves the right to reject any and all bids and to waive any irregularities in a submitted bid. Any bid received after 11 a.m. on the date of sale will be returned to the bidder unopened.

Bid Forms

All bids must be made on forms that may be procured from the county clerk or bond counsel. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned county clerk and marked "Proposal for General Obligation Hospital Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the county clerk's office and must be received by the undersigned prior to 11 a.m. M.D.T. on Monday, October 23, 1989.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on or assigned to the bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto will constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the county.

Delivery and Payment

The county will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or before December 8, 1989, at such bank or trust company in the state of Kansas or Kansas County, Missouri, as may be specified by the successful bidder. Delivery elsewhere will be made at the expense of the successful bidder. The successful bidder will be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity.

Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the county. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the county and bond registrar not later than 10 a.m. M.S.T. on November 15, 1989. In the absence of such information, the county will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the county by 10 a.m. M.S.T. on November 15, 1989, a certificate acceptable to the county's bond counsel to the effect that:

(i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that: (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Official Statement

The county has prepared an informational statement dated October 12, 1989, copies of which may be obtained from the county clerk or from bond counsel. Upon the sale of the bonds, the county will furnish the successful bidder with a reasonable number of copies thereof without additional cost upon request. Additional copies may be ordered at the successful bidder's expense.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable, tangible property within the county, for the year 1988, is as follows:

Equalized assessed valuation of taxable, tangible property including motor vehicles computed pursuant to K.S.A. 1988 Supp. 10-310, for computation of bond debt limitation......

\$173,735,952

The estimated assessed, taxable tangible valuation of the county for 1989 is approximately \$189,384,751.

The total general obligation bonded indebtedness of the county as of the date of the bonds, including the bonds being sold, is \$825,000.

Approval of Bonds

The bonds will be sold subject to the legal opinion of Fred W. Rausch, Jr., Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the county, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

Opinion of Bond Counsel and Internal Revenue Code of 1986

In the opinion of bond counsel, assuming continued compliance by the county with the terms of the bond ordinance, under existing law, the interest on the bonds: (a) is excludable from gross income for federal income tax purposes, and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The opinion set forth in clause (a) above is subject to the condition that the county comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the bonds in order that interest thereon be excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest

on the bonds to be included in federal gross income retroactive to the date of issuance of the bonds. The county has covenanted to comply with all such requirements.

The bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code, and, in the case of certain financial institutions (within the meaning of Section 265(b)(5) of the code), a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds. The county does not intend to issue bonds in excess of \$10,000,000 during 1989.

Prospective purchasers of the bonds should be aware that: (i) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the bonds, except with respect to certain financial institutions (within the meaning of Section 265(b)(5) of the code); (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31. 1986, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (iii) for taxable years beginning after December 31, 1986, and before January 1, 1992, interest on the bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (iv) for taxable years beginning after December 31, 1986, interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (v) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (vi) Section 86 of the code requires recipients of certain Social Security and certain railroad retirement benefits to take into account in determining gross income. receipts or accruals of interest on the bonds. These categories of bondowners should consult their own tax advisers as to the applicability of these consequences.

Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

The bonds are exempt from intangible personal property taxes levied by Kansas counties, cities or townships. Interest on the bonds is excluded from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Additional Information

Additional information regarding the bonds may be obtained from the undersigned, any county employee, bond counsel, or any other source available to a prospective bidder.

Dated September 19, 1989.
